

Fall/Winter House League 2018 / 19 - Round 4

Deadline - January 31, 2018

For each match you play you get 1 pt for showing up for your the match, 1 pt for each game won and 1 pt for winning the match. Therefore the winner will have 5 and the 2nd place player will have 3, 2 or 1 point.

Make sure you put the points in the correct box otherwise, someone else will get your points...

At the end of the round, players will be re-ranked. There will be players added and removed throughout the year. I will be placing new players slightly lower than where I believe they belong.
